

Brownie Sweet Shoppe-Try it

Satisfy your Sweet Tooth with one Sweet Workshoppe!

Hello! We are Jessica Banasiak and Megan Voorhees and are both 8th grade Cadettes from Girl Scout Troop 40618. We will be running this Brownie Sweet Shoppe event in order to earn our Silver Award. We will attend one of your troops meetings (your troop's choice) and bring all the equipment & supplies, in order to teach the girls some "sweet" skills and let them earn a try it while in the process. The Workshoppe will include:

- Making Chocolate Fondue (in a crock pot) by melting chocolate chips and dipping various candies, fruits, and pretzels.
- Teaching the girls how to make their own loaf of bread. The girls will follow a basic yeast dough recipe, knead it, and receive instructions to bake at home.
- The troop will also be creating a butter-cream icing and frosting cupcakes.
- Finally, the troop will join together to make a Girl Scout Sweet Treat Booklet. Our troop, Troop 618, will provide the girls with our own special recipe. **Leaders, please attach a copy of an amazing dessert recipe of your troop's choice prior to the gathering.**

Who Can Participate? Any Girl Scout troop in Brownie 2 or Brownie 3!

When and Where? Jess and Megan will be attending a meeting of your troop's choice for about an hour and a half during the months of March, April or May!

What is the cost? For each girl, the cost will be **\$2.50** (this will include the Try-It).

Registration Closes: The last possible time to register will be **March 25th**. Please keep in mind, **"first come, first served."**

Who should I contact?
