

SPF JUNIOR TROOP 40-547

GIRL SCOUTS HEART OF NEW JERSEY

troop event

Girl Scout Troop 547 Service Project

Please help Troop 547 help Camp Hoover by replacing Camp Hoover's broom and mop supply. Camp Hoover's brooms and mops are in poor condition and badly need to be replaced with newer ones that will be consistently the same throughout all the cabins. How can GSHNJ Service Unit help? Simply donate \$10 which will pay for one broom or mop! Each broom or mop that is donated will be painted and engraved representing your troop. This work will be completed by the girl scouts in troop 547. The goal of troop 547 is to first supply Camp Hoover with 50 brooms. Mops will then be supplied if additional donations are received. Donations are requested by March 4 at the leader meeting. More than one broom/mop may be donated per troop.

Thank you in advance for you donation and for representing GSHNJ at Camp Hoover! Any questions, please contact leaders Deborah, Dorothy or Marylou.
